- 4.

'**Intercultural**' refers to what happens when people from these two groups come together. ... Whereas **intercultural** communication involves interactions among people from different **cultures**, **cross-cultural** communication involves a comparison of interactions among people from the same **culture** to those from another **culture**."

Definition of Interculture

From Latin, coined by Marcus Tullius Cicero (106-43 BC) a famous Roman Orator. During this period in Roman history, "cultured" meant being able to speak both Latin and Greek. "Not common before the nineteenth century, except with strong consciousness of the metaphor involved, though used in Latin by Cicero." (Century Dictionary)

	Date	Meaning	Notes
1	106-43 BC	"cultured" meant being able to speak both Latin and Greek.	From Latin, coined by Marcus Tullius Cicero (106-43 BC) a famous Roman Orator
